## FRECKLES

March Brings Out Unsightly Spots. How to Remove Easily.

The woman with tender skin dreads March because it is likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle.

Fortunately for her peace of mind the prescription, othine—double strength, makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles you have, the double strength othine should remove them.

Get an ounce from your druggist and banish the freckles. Money back if it fails.—Adv.

"Delay No Longer!" is to be the slogan. Blithu Root will be chairman and Mayor Mitchell, George Wharton Pepper and Charles S. Fairchild will speak. ## BABY HELD FOR \$18 BOARD.

Mrs. O'Neill Promises Court to Return Mrs. Doty's Child.

Judge Beall played the part of Solomon this morning, in Special Sessions at Yonkers. Mrs. Mary Doty had Mrs. Margaret O'Neill summoned to court to show cause why she shouldn't return to Mrs. Doty her eight months' old girl. Some months ago Mrs. Doty separated from her husband and gave the baby to Mrs. O'Neill to care for at \$2 a week.

Mrs. O'Neill told the Court that the child's mother owed her nine weeks' board for the baby, but confessed that the real reason for withholding the child was that she had become much attached to her. The Judge ordered her to return the baby to its mother and Mrs. Doty promised to pay the \$18.

## BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

## Leather vs. Cloth for Shoe-Tops

THIS advertisement is intended to make our position clear on the question of Colored Leathers versus Cloth for Women's shoe-tops. We hold no brief for tops made entirely of Leather—since, as we see it, our sole duty is to sell women the type of footwear they prefer, at prices they like to pay. Cloth topped shoes are perfectly desirable in every way—but the fashionable woman is asking for Colored Leather shoes.

The present extraordinary price of leather has made it impossible for the *unprepared* retailer to sell this type of shoe, except at absurdly high prices.

Hence—a general showing of Cloth-topped shoes at prices that average about \$8.50.

### Here is the Point:

We are prepared with nine inch all Kidskin shoes at \$7.50—less than the price asked by many for the Cloth-topped article.

[Also 9 inch colored Suede Models at \$8.00]

The resources of the largest Retail Shoe Store in the World enable "Cammeyer" to hold costs down, and we shall continue to pass along these advantages to our customers.

NOTE: The quality and style of Cammeyer Shoes will never be sacrificed to meet a price.

All styles carried at our 6th Avenue at 20th Street Store—also sold at our NEWARK BRANCH—645-649 Broad St.
